### **Independent Auditor's Report**

To the Members of North York Seniors Centre

### Opinion

We have audited the financial statements of North York Seniors Centre (the "Centre"), which comprise the statement of financial position as at March 31, 2023, and the statements of operations, changes in net assets and cash flows for the year then ended, and notes to the financial statements, including a summary of significant accounting policies.

In our opinion, the accompanying financial statements present fairly, in all material respects, the financial position of the Centre as at March 31, 2023, and the results of its operations and cash flows for the year then ended in accordance with Canadian accounting standards for not-for-profit organizations.

### **Basis for Opinion**

We conducted our audit in accordance with Canadian generally accepted auditing standards. Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report. We are independent of the Centre in accordance with the ethical requirements that are relevant to our audit of the financial statements in Canada, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

# Responsibilities of Management and Those Charged with Governance for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with Canadian accounting standards for not-for-profit organizations, and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Centre's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Centre or to cease operations, or has no realistic alternative but to do so.

Those charged with governance are responsible for overseeing the Centre's financial reporting process.

### Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with Canadian generally accepted auditing standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

### Independent Auditor's Report (continued)

As part of an audit in accordance with Canadian generally accepted auditing standards, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Centre's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Centre's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Centre to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

### 1. Significant Accounting Policies

### **Nature and Purpose of Organization**

The North York Seniors Centre (the "Centre") was incorporated under letters patent dated September 6, 1974 in the jurisdiction of Ontario. The Centre is a multi-service, not-for-profit agency that provides programs and services for seniors which include home support, education, adult day care, outreach, transportation and various other social and recreational activities. The Centre is a registered charity and as such it is exempt from income taxes under Section 149 of the *Income Tax Act, Canada*.

### **Basis of Presentation**

These financial statements have been prepared by management in accordance with Canadian accounting standards for not-for-profit organizations.

### **Fund Accounting**

The Centre follows the deferral method of accounting for contributions. The unrestricted net assets balance reflects assets available for ongoing operations and services. The endowment fund reports resources contributed for endowment.

### **Cash and Cash Equivalents**

Cash and cash equivalents consist of cash on hand, bank balances, cashable guaranteed investment certificates.

### **Capital Assets**

Capital assets are recorded at cost less accumulated amortization. Contributed capital assets are recorded at fair value at the date of contribution and are amortized. Amortization is provided on capital assets as follows:

Automobiles - 5 years straight-line basis

or over the term of the lease

Computer equipment - 3 years straight-line basis Furniture and fixtures - 5 years straight-line basis

Leasehold improvements - over lease term

#### **Financial Instruments**

Financial instruments are recorded at fair value when acquired or issued. In subsequent periods, investments, and cash and investments - endowment fund are reported at fair value; all other financial instruments are reported at cost or amortized cost less impairment, if applicable. Financial assets are tested for impairment when changes in circumstances indicate that asset could be impaired. Transaction costs on the acquisition, sale or issue of financial instruments are charged to the financial instruments for those measured at amortized cost.

### March 31, 2023

### 1. Significant Accounting Policies (continued)

### **Revenue Recognition**

Externally restricted contributions are deferred and recognized as revenue in the year in which the related expenses are incurred. Contributions restricted for the purchase of capital assets are deferred and amortized into revenue on the same basis and rate corresponding with the amortization method for the related capital assets. Unrestricted contributions are recognized as revenue when received.

Investment income includes interest income and realized and unrealized investment gains and losses. Unrealized gains and losses on investments, and cash and investments - endowment fund are recognized as revenue in the endowment fund.

#### **Use of Estimates**

The preparation of financial statements in accordance with Canadian accounting standards for not-for-profit organizations requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities at the date of the financial statements, and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from management's best estimates as additional information becomes available in the future.

### 2. Investments

Investments are non-redeemable Guaranteed Investment Certificates with the following interest rates and maturity dates:

	_	2023	2022
Guaranteed Investment Certificates 2.60%, due September 21, 2022 0.46%, due April 26, 2022 0.55%, due July 14, 2022	\$	- -	\$ 100,000 250,000 100,000

Restricted contributions received in the year Amount recognized in revenue

**613,420** \$ 193,914

54.462

(99,743)

#### 7. Financial Instrument Risks

#### **Credit Risk**

Credit risk is the risk that one party to a financial instrument will cause a financial loss for the other party by failing to discharge an obligation. The Centre is exposed to credit risk arising from its accounts receivable. Management believes the credit risk is minimized by the credit worthiness of its funders. This risk has not changed from prior year.

### **Interest Rate Risk**

Interest rate risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market interest rates. The Centre is exposed to interest rate risk arising from the possibility that changes in interest rates will affect the value of fixed income denominated investments. This risk has not changed from prior year.

### **Liquidity Risk**

Liquidity risk is the risk that the Centre will encounter difficulty in meeting its obligations associated with financial liabilities. Liquidity risk includes the risk that, as a result of operational liquidity requirements, the Centre will not have sufficient funds to settle a transaction on the due date; will be forced to sell financial assets at a value, which is less than what they are worth; or may be unable to settle or recover a financial asset. The Centre is exposed to this risk mainly in respect of its accounts payable and accrued liabilities, due to Central Local Health Integration Network and commitments. This risk has not changed from prior year.
